## A MESSAGE FROM OUR CHAIRMAN

On behalf of the Foundation's Board of Directors, we are proud to share the annual report for the year ending March 31, 2019. This past year the Board has focused on improving the awareness of the Foundation by upgrading our logo and promotional materials. More importantly, the Foundation has entered into an agreement to participate in and contribute to a large scale project to solve the shortage of doctors throughout our region, called the clinical teaching unit. These efforts plant the seeds for our Foundation's future success.

Much of our fundraising success of the past year has come from our many partners throughout Interlake-Eastern. Our region is blessed to have many long serving dedicated organizations that have focused their energy on raising funds for much needed medical equipment in their community. Our Executive Director Pam McCallum, takes the lead on ensuring these great people have the support and tools they need to create positive giving experiences. We thank each of our partner organizations for their dedication to patient care in their community and for working with us

Success going forward will depend on partnerships, teamwork, and respectful discussion as we all work together to make health care even better.

On behalf of the Board, I thank you all for your efforts and donations.

DJ Sigmundson  
Chair, Interlake Eastern Health Foundation

## A MESSAGE FROM OUR EXECUTIVE DIRECTOR

What an incredible year it's been! Since last year we have been working tirelessly to enhance process, develop strategies and ensure growth of our foundation through excellence in planning, relationship building and staying focused on our mission.

In order to assist the region with their promise of enhanced patient care for all our communities, we have built strong relationships with our donors and community partners. Together we have been able to purchase 28 pieces of equipment including ultrasound machines, blood pressure machines, beds, wheelchairs, equipment for the family birthing unit, scales, stretchers, pressure relief mattresses, walkers and much more.

Each and every generous gift we receive stays in our region to support patient care. Thank you to all of our donors and community partners, we are so grateful for your support.

Pamela McCallum  
Executive Director, Interlake Eastern Health Foundation

# OUR BOARD OF DIRECTORS

The Board of Directors is comprised of a group of volunteers whose mission is to raise funds that support health care in the Interlake-Eastern health region. The 2018-2019 Board of Directors:

Bill Bodman	Treasurer
Brent Wynnyk	Board Member
Cynthia Ostapyk	Board Member
Dave Cain	Board Member
DJ Sigmundson	Chairman
Dr. Dan Lindsay	Board Member
Ernest Stefanson	Board Member
Glen West	Board Member
Kelly Cook	Board Member
Ted Lewis	Vice Chair
Tracey Epp	Board Member

# FINANCIAL SUMMARY

The accompanying condensed financial statements are derived from the actual financial statements of the Interlake-Eastern Health Foundation year ending March 31<sup>st</sup> 2019.

# SHARED SUCCESS

Reflecting back on an exceptional year...

Farm Credit Canada donates \$1,000 to the Gimli Hospital.

New patient lift for SRHC emergency room.

Little Elska donates a teddy bear to every camper attending Camp Stepping Stones for the second year in a row.

The Westshore Community Foundation purchases a new treatment chair for the Gimli Home Care Clinic.

Royal Canadian Legion #42 donates \$12,574 for two Vital Signs blood pressure monitors and two pressure reduction mattresses for the SRHC.

The Stonewall and District Health Foundation donates \$65,110 for the purchase of a portable ultrasound machine.

Stonewall and surrounding areas meet fundraising goal of \$45,000 for the purchase of two Stryker power ambulance stretchers for local EMS.

Recent donations from local donors and a bequest was used to purchase a portable ultrasound machine for the Beausejour hospital

Co-Op donated \$1,000 from their Fuel Good Day 2019 to the Beausejour hospital TV Fund.

Stony Mountain Stonewall Lodge #12 donates \$1,500 for new wheelchairs at Stonewall hospital.

A physician from the Selkirk Regional Health Centre, made an anonymous donation of \$8,500 for the purchase of a BiliBlanket for the family birthing unit.

So far in 2019, South West District Palliative Care has donated \$36,570 to purchase equipment and fund programs throughout the region.

The E.M Crowe Memorial Guild purchased a Stryker power ambulance stretcher for local EMS.

The E.M Crowe Memorial Guild purchased a portable ultrasound machine for the Eriksdale hospital.

## \$5 CLUB

The \$5 Club is the IERHA's staff giving program where staff opt-in for a \$5 payroll deduction to be used towards recommendations brought forward by the club. In the 2018/19 year, the \$5 Club raised \$14,500 and was able to contribute to the following organizations.

\$4,800 to Nova House.

\$4,700 to Survivor's Hope Crisis Centre.

\$3,000 to Camp Stepping Stones.

\$1,000 to the Children's Wish Foundation.

\$1,000 to the Interlake Eastern Health Foundation.

## THANK YOU \$5 CLUB!

## The McLeary Family

Thanks to a generous \$10,700 donation by Bob and Wendy McLeary, the Selkirk Regional Health Centre recently acquired a new scale for the surgery department, a bench for the courtyard, and a brilliant stained glass piece located outside of spiritual care.

In 2007 Wendy's father, Norman Dalman was a patient at the old Selkirk Hospital. As Norman was recovering, the family found there were only limited areas to rest. At that time, the Selkirk

& District Horticultural Society and members of the Selkirk Hospital Palliative Care unit were already fundraising to construct a pagoda, outside of the hospital. Bob and Wendy quickly joined in the fundraising for that project and a few years later, they started their own fund on behalf of any family or friends that passed away.

Later in a meeting with the planners of the new hospital, Bob and Wendy made a decision to change focus and use the funds elsewhere in the new Selkirk Regional Health Centre (SRHC).

In discussing, the needs of the SRHC with Interlake-Eastern Health Foundation Executive Director Pamela McCallum, Bob and Wendy decided to use the funds in their account to purchase a scale for the surgery department, a bench for the courtyard and a stained-glass window that was recently installed by Prairie Stained Glass. The stained glass piece was designed by Bob and Wendy and has special meaning to them.

“After my three recent successful surgeries and recovery in the SRHC Wendy and I were motivated to support the staff, patients and visitors by providing a stained-glass window, a bench in the atrium and a scale for the surgical ward. It was also very rewarding to create two family endowment funds that will assist with the purchase of priority equipment and benefit the community health and wellness programs,” said Bob.

The McLeary's generosity didn't stop there as they decided to establish a permanent fund as a legacy for their parents Jack & Astrid McLeary and Norman & Bette Dalman.

The McLeary's wish to have the donations invested in perpetuity and to have the income generated thereby paid out to provide grants to support highest priority equipment purchases for the Selkirk Regional Health Centre.

Wendy adds "as proud citizens of Selkirk we are pleased to be able to create two endowment funds that will honour the memory of our parents, leave a legacy for our family and help to enrich the lives of the people within our community."
